Music Machine

What a show! Live music, flames, with a group of artistes, musicians, actors, acrobats and technicians on an incredible colourful carnival float structure.

A real feast for the eyes and ears ... The show grabs the audience as a tornado with the power of music and rhytm.

A real show with a crazy orchestra, air acrobats and light effects that will amaze young and old. The main carnival float is followed by a special drum structure. On the machine two acrobats are swinging.

Forward Music Machine and crazy artists!
